Our Candidate promise

Recruiting passionate people

At GEODIS, we believe that each and every person matters when it comes to achieving long-lasting success and demonstrating our know-how. Our commitment to our customers leads us to recruit passionate and demanding men and women who are ready to fulfill the ambitions of our rapidly changing sector with all their energy.

Join a leader in constant evolution

With more than 100 years of experience in the field of transport and logistics, GEODIS knows how to respond to the major challenges. Throughout its history, GEODIS showed ability to adapt to the needs of its clients, industry-specific constraints and new national boundaries.

With its talent pool, GEODIS opens you doors to the world full of dynamism where everyone finds their place in expertise, contributes to their development and succeeds. Being the key player of the supply chain, we are working on the logistics projects of our customers today and preparing those of tomorrow.

Creating daily opportunities

It is true that we are committed to offering autonomy and the opportunity to take initiative to each of our new hires. Therefore, it is necessary that they benefit from personalized and operational support that will allow them to understand the challenges of GEODIS and emphasize their strengths. We encourage openness. "Discuss. Decide. Align."- this is a genuine moto to guarantee the success of our actions.

And if you were part of this adventure?

Being GEODIS employee means living every day professional and personal adventure. It is about incorporating your personality, your knowledge and your know-how in the culture and the team spirit of GEODIS. Involvement and collaboration make it easier for everyone to take responsibility. We encourage you to go and meet different expertise and our complementary ecosystems whose activities give meaning to the group.
